

Clerk's Report and Correspondence
8 January 2024

REPORT:

- A. Defibrillator cabinet update – It has been confirmed that the issue was just the rotting board on the back, which was installed by BT. BT has given the electrician permission to replace the board. We are at the top of the list for rescheduled installation starting in February.
- B. Recent FOI request was completed and all information sent to the requester.
- C. Wiltshire Council is still requesting flooding information. Grant schemes are now open for members of the public, due 15th January.
- D. Invitation to the council from Marsh Farm Care Home to attend an afternoon tea. Please send availability to the clerk as soon as possible.
- E. LHFIG meeting on 10 January has changed to Teams meeting, in response to the passing of Cllr Bob Jones (Purton). Start time is 6pm.
- F. Hook Village Hall booking for Annual Parish Meeting confirmed for 24 April 2024, from 17:00.
